

Entry mode and duration of Marine Biology programme

The entry mode will be divided into two categories:

- (1) **Direct entry:** The duration will be 3-year Programme.
- (2) **UTME Entry:** The duration will be 4-year Programme.

6. Admission Requirements

i. Specific Faculty admission requirements:

Direct entry (3-year Programme): Candidate for direct entry shall be required to satisfy the minimum university requirements for admission into degree programmes in addition to any of the followings:

- Hold Bachelor's degree in the relevant sciences from any recognized university.
- Possess a HND with credit passes in the relevant science discipline.
- Hold a Diploma in any science related disciplines with a Minimum CGPA of 2.75 on a 4 point scale or 3.30 on a 5 point scale.
- Possess A-levels with passes in two science subjects at the required grades.

UTME Entry: To qualify for admission, all candidates must possess at the least 5 credits in SSCE/GCE/NECO (O/L) in not more than two sittings which must include Mathematics, English Language, Chemistry, Physics and Biology.

UTME subjects are Mathematics, English, Chemistry and Biology

ii. Specific Departmental admission requirements:

A student is expected to satisfactorily complete the approved number of credit hours to obtain a B.Sc. Degree in Marine Biology. The programme of studies of all students majoring in Marine biology will be worked out by the students in consultation with his/her departmental academic adviser before his/her formal enrolment for the programme for each academic year.

7. Postgraduate programmes for Marine Biology Department

The programmes offered are:

- A. Master of Science (M.Sc) in Marine Biology.
- B. Doctor of Philosophy (Ph.D) in Marine Biology.
