**SUBJECT: 2022/2023 DEGREE/ SECOND SEMESTER SESSIONAL
EXAMINATION TIME TABLE**

Please find attached the 2022/2023 degree/second semester sessional examination time table. All stake holders in the system should please be well prepared for the conduct of this examination. Lecturers should round up their lectures in time so as to give the students time to prepare , management on their part should make ready the examination materials in time.

Examination misconduct forms should be made available in all examination halls when exams are on. Any student involved in examination misconduct should be made to complete the form which should be forwarded to the Head of Department immediately after the exams for appropriate disciplinary action. GSM phones are **not** allowed into the examination halls.

Issues of omissions, clashes, inadequate examination spaces for large classes, etc from the time table should be channeled first to the departmental and faculty time table officers.

Departmental time table officers should give a copy of their time table containing names of invigilators to quality assurance unit for proper monitoring.

Let us please work together for the success of this examination.

Thank you.
